

## INSURANCE

All international students must provide proof of the required insurance coverage before attending their enrolled classes at Talent International Institute. A learner needs to hold insurance from the date the enrolment process is finalised. Proof of insurance cover documentation must be presented either as the original document or as a certified copy AND in English. International students are to have the following insurances.

1. Coverage for travel to and from their country of origin before their educational instruction begins and after it ends (which may occur outside the enrolment period).
2. Coverage for travel to other countries only if the travel is primarily for the purpose of embarking on connecting flights to and from New Zealand.

### *Medical Insurance:*

All international students are required to have medical insurance at all times while studying in NZ.

1. Medical insurance should cover medical care in New Zealand, including hospital visits, general practitioner services, and prescriptions.
2. The insurance must start when a student begins travel from their home country or if the student is already in NZ when applying, insurance cover will be in place from the study start date. If a student is on a Student Visa, cover will extend until the day after the visa expires.
3. Students will be required to present proof of their insurance cover prior to commencing their studies at Talent International Institute.
4. Pre-existing conditions should be disclosed to the insurance agent and to TII.

### *Travel Insurance:*

All international students are required to have travel insurance as follows:

- Insurance to and from New Zealand (including cover for flight connection stops in transit)
- Insurance within New Zealand

### *Repatriation and Death of Student Insurance:*

- Insurance covers repatriation or evacuation in the event of serious illness or injury.
- Insurance covers travel costs of family members to and from New Zealand
- Insurance covers costs of repatriation or expatriation of the body
- Insurance covers funeral expenses.
